

School Annual Education Report (AER) Cover Letter

August 15, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for the Eastwood Early Childhood Center. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Tim Buckingham for assistance.

The AER is available for you to review electronically by visiting the following web site www.brps.k12.mi.us or you may review a copy from the principal's office at your child's school.

Eastwood Early Childhood Center is a Kindergarten and first grade building that does not take the MEAP test therefore can not qualify for AYP.

Students are assigned to Eastwood through our Central Office enrollment procedure.

Our school improvement plan is making progress. We have 3 main goals concentrating on reading, writing, and math. Eastwood's school improvement team is made up of several classroom teachers, title teacher, and a parent representative.

If you are interested in seeing the district's core curriculum, please visit our central office for a copy. The curriculum is implemented in each of each of our classrooms by our highly qualified teachers and supported by paraprofessionals, Ferris State University students, and volunteers.

This year we had ---families represented at parent/teacher conferences which is ---% attendance rate.
